

ICE SKATING TIPS & INFORMATION

Q. Do I have to Bring my Own Skates?

A. Yes, skaters are required to bring their own skates. Skate rentals will not be available.

Q. Will the Synthetic Ice Skating Rink Ruin my Skates?

A. It will not ruin your skates, you can use regular skates on it and then go and play on natural ice.

Q. Can I Walk on the Ice Surface without Skates?

A. Only skaters will have access to the ice surface. Example – moms and dads without skates will not be permitted on the ice surface to walk around with their children. This is both an issue of safety and prevention of unwanted debris getting onto the ice surface.

Outdoor Footwear NOT Permitted on the Ice Surface.

Q. Do Skaters require Helmets?

A. Helmets are not mandatory but are recommended for safety.

Q. How Long can I Skate on the Ice?

A. If there are line-ups, skaters will get to skate for 20-30 minutes. Skating and line-up times will vary depending on the number of participants.
